

Three Day Overview

Day 1	Day 2	Day 3
God Proclamation/ Call Divine Invitation	The Lord Jesus Christ Conversion Our Response	The Holy Spirit Consecration Christian Life in Mission
Morning Meditation: The Loving Father (Prodigal Son) God loves us unconditionally and longs for our return.	Morning Meditation: Four Responses to Christ In view of these, how will we respond to Christ?	Morning Meditation: Humanness of Jesus God uses our humanness to touch this world with grace.
Priority Human beings are shaped by a unique capacity to make decisions about their priorities. What is your priority?	Grow Through Study New life in Christ involves growing through study of scripture, tradition, and our world (giving our mind to God).	Changing Our World Disciples will transform their environments by being a Christian presence in the four fields of ministry.
Prevenient Grace God's love searches us out, seeks to redeem humanity, and wants to give us a life in grace.	Means of Grace This new life in Christ made real by means of sacraments and other sacred moments in which we celebrate Christ's overcoming death in our lives.	Sanctifying Grace Disciples continue to grow in the grace of Christ through obedience to the Holy Spirit in the disciplines of prayer and service.
Priesthood of All Believers God's love is shared by Christians called to be the church – to be priests to one another, a channel of grace between God and people.	Christian Action This new life is expressed by sharing Christ as a friend with friends – giving one's hands and feet to God, both in the church and in the world.	Body Of Christ Disciples are called together to be the body of Christ, joining their gifts for ministry and mission to the "least of these."
Justifying Grace By God's grace, we are accepted and set right with God in Jesus Christ. New life in Christ comes when we say yes to God's offer of grace.	Obstacles To Grace This new life is not free from obstacles of sin, but grace and discipline enable us to overcome obstacles and grow through them.	Perseverance Disciples of Jesus cannot make it alone but can persevere with strength from the Spirit through mutual support and accountability in Group Reunions.
Life of Piety This new life is rooted in a living relationship with God, sustained by grace through spiritual disciplines – giving one's heart to God.	Discipleship This new life in discipleship, life lived in grace following in Jesus' footsteps, growing in his likeness – giving heart, head, and hands to God.	Fourth Day The three days are over, but Day Four begins. This is Emmaus' purpose: a lifetime of discipleship, bringing new life to our churches and conveying grace where we live.
Day 1 Focus God graciously offers us a relationship and of a new life centered in Jesus Christ.	Day 2 Focus Christ models our response to that gracious offer and our living in grace as disciples through practicing the means of grace.	Day 3 Focus The Holy Spirit has a strategy for bringing new life and transformation to our world through us and our ongoing participation in that mission as the church.
