The link in the NGWTE, under the Connect – Gathering tab for a person to request a Gathering for their church by clicking on the fourthday@ngwte.org is not operational. Also, where do I go to see these emails directed to this email address?

Below is the initial working draft of the Reunion Worksheet for the Database. Need to have our Tech Team to create a fillable form that captures this information from the NGWTE website.

Reunion Groups

Just as a gathering is a meeting of a larger

Emmaus community, a reunion group is your own smaller, personal group. Reunion groups are really the heart of the Emmaus movement and are designed as a weekly get-together of friends with whom you can share your life in study, piety, and action. Reunion groups are also for giving to others by way of support and your living example.

Three things are essential for a successful reunion group. The most important ingredient is that you have to attend

whenever possible. Secondly, give it time to grow and nurture. And thirdly, be open, honest, and generous about your life in Christ. Excuses for not going are plentiful, but the meeting you miss may very well be the one at which you were needed most.
