

## **Agape Committee Report 9/28/2023**

### **Agape Activities in September**

- All four fall teams have been visited during a team meeting having the opportunity to sign the prayer boards.
- The prayer sign up on Ministry Manager is up to date so email reminders will be sent out to prayers we can identify.
- Marilyn Savage has been a tremendous help in cleaning out the agape google drive with updated titles, saved to pdf version, and duplicates eliminated.
- We have two members to add to the Agape Committee effective January 2023. I will present them to the board at the October board meeting.

### **Ahead for Agape**

- I will be meeting with new Agape Chair 24-26 once the vote is official.
- Marilyn Savage and I will continue tackling the google drive with next emphasis on updating contacts.
- I will be presenting the job description for the Agape Chair at the November meeting.

Respectfully Submitted,

Patti Ann Allen, Agape Chair
