

North Georgia Walk to Emmaus
King's Retreat Facilities Standing Committee
David Wilkins, Chair

Coordinating Board Report
April 5, 2021

1. Project List for King's Retreat:
 - a. White House network connections installation will be completed TBD.
 - i. King's Retreat internet connectivity?
 1. Pass codes assigned per walk to Tech Servant.
 - b. White House – We have a foundation repair bid from Engineered Solutions.
 - c. We have quotes in hand for reviewing the HVAC options to see how we may be able to improve the air quality.
2. Gwen continues to check the facility Once per week.
3. Gwen is looking for some assistance with the Hispanic weekends. The trustees will be searching for a bilingual speaking person that is interested in taking Gwen's opening and closing responsibilities for those weekends. This will be a paid position.
4. We are updating the Facilities Talk and point to reflect the new position names.
5. No hits on Sign-Up-Genius.
6. On a bright note, we have a reunion group of 12 working at King's Retreat for the next couple of days lead by Jim and Debi Vincent (New Trustees) which is going to give us a great jump start for our upcoming workdays!!!
