

North Georgia Walk to Emmaus
Chrysalis Board Report
August 2021

The North Georgia Chrysalis board met on June 14. We had significant discussion around the new Faithful Love talk, which replaces the Marriage and Single Life talks. Just prior to this meeting, the Lay Director for the December girl's flight withdrew.

The board was scheduled to meet again on August 2 but had to be rescheduled for lack of a quorum. The first order of business is to identify the next girl's Lay Director.

The Chrysalis Advisory Board from the Upper Room has been working on initiatives that will significantly modify the structure of the Chrysalis experience. This work is ongoing, but if anyone is curious, you can find recorded briefings in their YouTube channel here:
